

SUMADHAVA ANAND GUDI

Data Analyst

PROFILE

I am a highly passionate individual aiming to build a successful career in data science. This led me to pursue a Bachelor of Engineering in Data Science. I am dedicated to my passion and profession, and I strive to complete assigned tasks on time. Throughout my college journey, I actively participated as a coordinator in various events. Additionally, I am a member of the college cricket team, where I gained valuable experience in leadership and team management. I possess strong leadership skills and have the ability to effectively manage and coordinate team members.
