Summary

Passionate | Proactive | Team Leader

I am a highly motivated individual with a strong passion for building a successful career in data science. As a dedicated professional, I chose to pursue a Bachelor of Engineering in Data Science to enhance my knowledge and skills in the field. With a commitment to delivering quality results, I consistently complete assigned tasks within deadlines.

During my college years, I actively served as a coordinator for numerous events, showcasing my ability to effectively manage and coordinate teams. I was also an integral part of the college cricket team, where I honed my leadership skills and learned the importance of teamwork and collaboration.

My skills in Python, including NumPy, Matplotlib, Streamlit, Flask, and Pandas, along with proficiency in Excel, Power BI, and SQL, equip me to excel in data-driven environments. Moreover, I have hands-on experience as a Cloud Engineer at Verzeo, a Data Science Intern at Oasis, a Data Analyst Intern at KPMG FORAGE, and a Business Analyst Intern at Kulture Hire.

I have acquired valuable certifications in Python, Data Science, Java, and AWS Cloud Computing, which further enhance my technical prowess.

Thank you for considering my application. I am eager to contribute my skills and passion to your esteemed organization. Let's connect and discuss how my expertise can benefit your team.

Experience

Business Analyst
KultureHire
Jun 2023 - Present (1 month)

Data Analyst
KPMG
May 2023 - May 2023 (1 month)
Data analytics by the process of quality assessment, insights and presentation

Data Scientist
Oasis Infobyte
Apr 2023 - Apr 2023 (1 month)

Cloud Engineer
Verzeo

Mar 2022 - May 2022 (3 months)
Aws Cloud Computing

Education

MVJ College of Engineering, Bangalore, India
Data science, Data Processing
2020 - 2024

Licenses & Certifications

Introduction to Data Science - IIT Madras

Python-3.9 - Spoken Tutorial

AWS Cloud computing - Verzeo

Skills

Databases • Data Analytics • Skill Development • Data Modeling • Data Quality Assessment • NumPy • Cloud Computing • Data Science
